OZ SHEDS are a proud Australian National Supplier of all types of sheds from **BARNs, WORKSHOPS** and **DOUBLE GARAGES**: **SPECIALIZING** in **FARM SHEDS, ARENAS, INDUSTRIAL/COMMERCIAL buildings** up to 35m in span.

OZ SHEDS supply structures all over Australia, and with the backing of a national company we can deliver to most of the population within a reasonable time.

Our buildings are engineered to meet all the requirements of the Australian Institute (ASI) 2009 Design Code

All buildings are fully site specific engineered to accommodate the area where your garage/shed will be built, and plans can be supplied within minutes.

Oz Sheds have no set standard designs. In most cases, buildings can be designed to suit your particular needs. With our software program we are able to quote on your shed in minutes, allowing you to see what your new shed is going to look like before you purchase.
